

Plumbing Tube & Refrigeration Coil

- BMT manufacturing site has historically provided the most advance copper product offering for the Industrial, Technical, HVAC and Refrigeration market
- BMT seamless copper tubing is manufactured to meet chemical and mechanical properties of the applicable ASTM specifications.

Bison Metals Technologies proudly manufactures a full range of ACR Refrigeration copper tube in soft coils and a full range of copper plumbing tube suitable for many uses in the field.

All tubing is manufactured under strict quality control procedures and inspections.

Bison Metals Technologies produces tubing to meet chemical, mechanical, cleanliness and Eddy-Current Testing.

	Specifications	Application	Temper	Length
Water Tube Type K	Color Code: Green Standard ASTM B88	Domestic water service and distribution, Fire protection, Solar, Fuel/fuel Oil, HVAC, Snow melting, Compressed air, Natural gas, Liquefied petroleum (LP) gas, Vacuum	- Hard - Soft	Straight: 10 & 20 ft. Coil: 60 & 100 ft.
Water Tube Type L	Color Code: Blue Standard ASTM B88	Domestic water service and distribution, Fire protection, Solar, Fuel/fuel oil, Natural gas, Liquefied petroleum (LP) gas, HVAC, Snow melting, Compressed air, Vacuum	- Hard - Soft	Straight: 10 & 20 ft. Coil: 60 & 100 ft.
Water Tube Type M	Color Code: Red Standard ASTM B88	Domestic water service and distribution, Fire protection, Solar, Fuel/fuel oil, HVAC, Snow melting, Vacuum	- Hard	Straight: 10 & 20 ft.
Refrigeration Coil	Color Code: Blue Standard ASTM B280	Air conditioning, Refrigeration, Natural gas, Liquefied petroleum (LP) gas, Compressed air	- Soft	Coil: 50 & 100 ft.

Made in the U.S.A.

Exceeding Customer Expectations

What else do we offer?

- **Straight Length Tube**
BMT produces seamless copper straight length tube in a broad range of lengths and diameter sizes for air conditioning, refrigeration, and heating applications.
- **Level Wound Coil**
BMT produces seamless copper level wound coils in a broad range of O.D. x Wall combinations for air-conditioning, refrigeration, and heating applications.

VALUE PROPOSITION TO OUR CUSTOMERS

BMT is dedicated to being the **highest value copper tube supplier in the industry**

- Customer First Philosophy (Solution Based)
- Product Breadth
- Shorter Lead Times with Product Stocking
- Industry BEST Customer Service
- New Product Development

BMT copper tube gives our customers confidence and provides us options to better serve the needs of our customers. Our **Senior Leadership Team** has over **200 years** of experience in the industry in both leadership, sales, support and operations expertise.
