

REACH and RoHS-3 Compliance

I hereby confirm, as the authorized representative of Bison Metals Technologies that all copper tubing products produced, or source supplied by Bison Metals Technologies comply fully with REACH regulation (EU Regulation 1907/2006/EC dated January 2018) as to not contain any of the listed SVHC's at levels above 0.1%.

It is also confirmed that all copper tubing products previously identified comply fully with RoHS-1 requirements (EU Directive 2012/65EU) and also comply with the upcoming RoHS-3 requirements.

If you have any questions, please feel free to contact our Quality Department at 833.90.BISON or heath.payne@bisonmetals.com
